

Skills Bootcamp

Team Leaders & Supervisors

The Textile Centre of Excellence is running a new 'Skills Bootcamp' programme for Team Leaders, Supervisors and Managers.

2025 Programme

Created to cover the key principles of leadership and management practice, this 12 day programme has been specifically designed by employers to meet their current and future leadership needs. The course is not sector-specific and is available to those in employment as well as individuals looking to develop the skills they need to find employment. If you have staff that can benefit from this funded programme, contact the Centre.

Programme consists of 12 bespoke leadership modules, accredited by the Institute of Leadership & Management. Learners completing all modules and assignments will receive a nationally accredited qualification.
